

The Vanguard School

POLICY: Vanguard AB – Community, Staff, and Student Involvement in Decision Making

POLICY ADOPTED: 11-15-16

It is the intent of the Board of Directors to elicit input from members, staff, and students in the continuous improvement of the execution of The Vanguard School mission. To that end, the Board and administration will use participatory management in the administration of the School.

While the Board of Directors has an obligation to determine and assess the values, needs, and desires of members, staff, and students, it is understood that the Board will exercise their responsibility to determine policies, make decisions, and approve procedures for carrying out their responsibility.
