### **POLICY: Vanguard IGDF – Student Fundraising Activities**

**POLICY ADOPTED: 12-13-16**

The Board endorses fundraising activities by either student groups or parent support groups. It is the intent of the Board that all fundraising activities be conducted with discretion and will interfere with the privacy of citizens as little as possible. Accordingly, all student fundraising activities should conform to the following guidelines:

1. School fundraisers will be pre-approved by the Executive Director or his designee.
2. Door-to-door solicitations will never be required, and these events will always be accompanied by an adult for safety reasons.
- 3 Solicitations of businesses, professional officers, or other corporate entities will be permitted for fundraising activities which have the prior approval of the Principal and the Executive Director of the school.
4. Quotas for individual students are prohibited.
- 5 Student fundraisers inside the school will be approved by the Building Leader.

Any variation from this policy must have the prior approval of the Executive Director of the school.
