### **POLICY: Vanguard IKBB – Junior High Excess Missing Homework**

**POLICY ADOPTED: 2-13-18**

1. Per core class (English, history, Latin, math, and science), per quarter, students achieving less than 70% for a homework average who have not turned in four or more of their homework assignments in the class will receive a strike in the class.
2. Students will be eligible to have a strike removed if they earn an 80% homework average any subsequent quarter in the subject for which the strike was earned.
3. If a student has five strikes at the end of the year, that student loses his priority status for admission to The Vanguard School the following year.
4. If, under extraordinary circumstances, the student is unable to meet these criteria, the Principal may use his discretion to remove a strike.
