

The Vanguard School

POLICY: Vanguard ILBB – State Program Assessments

POLICY ADOPTED: 2-16-16

The School shall participate in statewide performance assessment programs when students within a grade or grades are being assessed and if schools, classes, or students from the School are selected for a statewide sample.

The Colorado Department of Education is required to provide diagnostic academic growth information for each student enrolled in the School based on the state assessment results for the preceding school years. Appropriate School personnel, including those who work directly with the student, shall have access to the student's statewide assessment results and longitudinal academic growth information and shall explain that information to the student's parent/guardian.

Except for the college entrance exam, results of the assessment for that school year shall be made part of the student's permanent academic record. Results of the college entrance exam shall be included on each student's transcript.
