

## **The Vanguard School**

### **POLICY: Vanguard IMG – Animals in School Facilities**

**POLICY ADOPTED: 3-21-17**

Animals may be on school premises in connection with an organized and approved school activity approved by the appropriate building leader. Animals are allowed to be housed in a classroom or school facility for a specific and appropriate educational purpose for the time necessary to achieve the educational goal. Except in the case of service animals, students and parents may not bring animals onto school grounds unless authorized by the site administrator.
