

The Vanguard School

POLICY: Vanguard JICA – K-8 Uniform Policy

POLICY ADOPTED: 4-16-25

K-8 UNIFORM POLICY

Uniforms are mandatory for all K-8 students at The Vanguard School, and students are expected to be in uniform when they are in any school building. Wearing uniforms is intended to improve discipline and enhance the overall learning environment and also shows pride in oneself and in The Vanguard School.

The Board of Directors of The Vanguard School has established the following policy:

MISSION

The learning environment is significantly influenced by students' attire. Wearing uniforms impacts the school positively by:

- Helping students focus on learning
- Reducing distractions
- Increasing wardrobe equality
- Fostering a distinct and positive Vanguard appearance

Items that noticeably differ from the approved uniform will not be allowed. The Board delegates to the administration and staff and reserves the right, at its discretion, to deny any item that is noticeably different in style, color, or fabric. Students wearing noticeably different items will be subject to the consequences outlined below. Items not covered above, but considered inappropriate, dangerous, or a distraction from the learning environment are subject to review and prohibition by the administration.

Uniforms must be worn on field trips unless the administration approves otherwise. Uniforms are not required for evening or weekend activities unless specified by the administration or the activity supervisor.

ENFORCEMENT AND CONSEQUENCES

ENFORCEMENT

Within the school, the dress code will be enforced by the classroom teachers, other staff members, and The Vanguard School administration. The final decision as to the safety or suitability of any dress code issue will be left up to the principal or designee.

Anyone with a medical or religious reason for not following the above dress code guidelines will need permission from the principal prior to non-compliance with this dress code. Cheerful, consistent compliance with the uniform policy is expected by all.

CONSEQUENCES FOR UNIFORM VIOLATIONS

Uniform violations may be noted in the student's planner or otherwise documented (uniform violation slip). An "Oops Form" will be sent to parents after each infraction, and an office referral will be assigned for every four accumulated uniform violations. If a student violates the uniform policy in a manner that cannot be immediately corrected, the student may be asked to call his/her parent or guardian to bring the appropriate uniform item(s) which will allow the student to comply with uniform policies.

UNIFORM WEAR GUIDANCE

Parents have the responsibility to ensure that their children arrive at school in the proper uniform. Students are expected to be dressed neatly, be well groomed, and have a generally good appearance. Uniforms are to be clean, of appropriate size/fit, and free of holes, tears, and frays. Uniforms must be worn as intended by the policy. A student will be deemed out of compliance for wearing non-approved items or by wearing approved items in a manner that is sloppy, immodest, or otherwise inappropriate.

UNIFORM EXCEPTIONS

Club / Organization Uniforms

Students participating in Girl/Boy Scouts may wear their club uniform to school instead of their school uniform on the day of the meeting. When wearing the club/organization uniform, any article of clothing not part of that uniform must be The Vanguard School's uniform.

Special Enrichment Activities

Students participating in special enrichment activities, such as Fiesta Day or the Roman Feast, may wear their costume to school on the day of the event.

Special Events

For special events (musical performances, Moving Up Ceremony, etc.) the school may require more formal attire; guidelines will be published for the event.

School Pictures

Uniforms are not required for individual student pictures taken in the fall, although they may certainly be worn if desired. Students who do not wear uniforms are expected to dress equally as formal as the uniform. Students are not allowed to wear denim – which includes blue jeans, jean jackets, vests, or skirts. No t-shirts, tank tops, or spaghetti straps; shirts must be collared. Shorts and skirts must follow uniform length code. Students are required to wear their uniforms for the class pictures taken in the spring.

Spirit / Pizza Day

Students in grades K through 8 may wear official Vanguard Spirit Wear shirts on the second Friday of each month. Dress code must be followed for all other articles of clothing. Spirit Wear may include Field Day t-shirts as long as they are not autographed.

Jean and Hoodie Day

From time to time, the administration may designate a Jeans and Hoodie Day when students are authorized to wear jeans* and hoodies (pull-over or zip-up). A school uniform shirt must be worn under the hoodie. Students must follow the dress code in terms of socks, shoes, jewelry, hair, and makeup. Students may always wear an approved uniform instead of jeans and hoodies.

**Pant styles not allowed include: excessively tight or baggy jeans, jeans with holes, or pants with frayed hems.*

Students not adhering to the dress code may not be allowed to attend class until they are wearing proper attire. The final decision as to the safety or suitability of any dress code issue will be left up to the principal or designee.
