Character Corner

Respect: The habit of treating all people with dignity; listening to the voices of wisdom and authority in our homes, school, and communities; considering the needs of others and always treating them with courtesy. Respect is about the golden rule - doing unto others as you would have done unto you.

Reminders

Please check your child’s planner for assignments, test dates, and any missing assignments.

With cold weather moving in, please have your child bring a jacket or sweater to school each day.

Our Week of Learning

History: We are learning about world mountains in our newest history unit. Did you know that the Andes Mountains are the longest mountain range in the world? Please ensure that your student is studying vocabulary and Big Ideas each night for at least five minutes.

Science: We are learning how energy transfer can help solve problems. Please have your child study science vocabulary each night.

Poetry: We have learned, memorized, and recited “Monday’s Child.” We will be working on a new poem, “The Rhinoceros,” by Ogden Nash. Students should be studying their poems for at least five minutes each night.
