

September 15, 2023

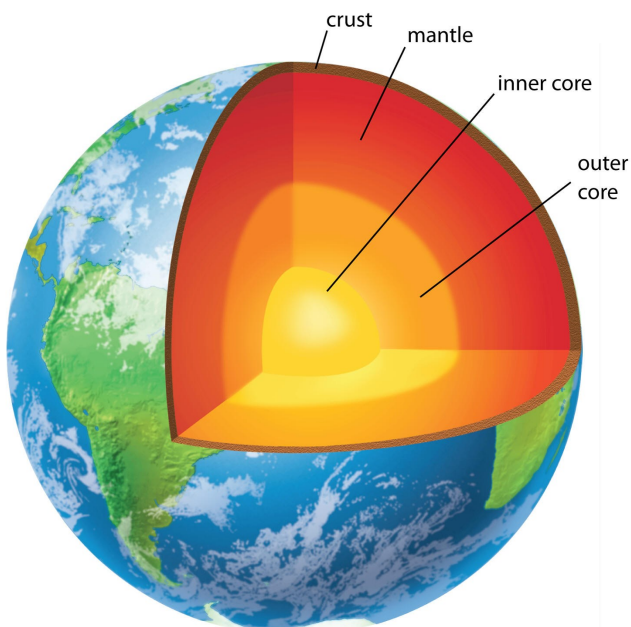

## Character Corner

**Respect:** The habit of treating all people with dignity; listening to the voices of wisdom and authority in our homes, school, and communities; considering the needs of others and always treating them with courtesy. Respect is about the golden rule - doing unto others as you would have done unto you.

## Reminders

Science and math books need to be covered. Please take the weekend to get this accomplished.

**Scholastic** orders can be placed until September 29, 2023. Our sixth-grade code is GYW8N. Pamphlets are available in the classrooms, or you may order online at [www.scholastic.com](http://www.scholastic.com).

## Our Week of Learning

**Science:** In the coming weeks, we will be exploring the structure of the earth. Chapter 2 will cover how the earth formed, its layers, and the major landforms of Earth's surface.

**Poetry:** Our next poem is "I Wandered Lonely as a Cloud," by William Wordsworth. It is a lyric poem and one of his most popular. It was inspired by a forest encounter on April 15, 1802, that included himself, his younger sister Dorothy, and a "long belt" of daffodils.

**History:** We continue our unit on Ancient Greece and Rome. This unit is broken into smaller quizzes and a final test. The second quiz will tentatively be given on September 28.

## Dates to remember

September 18-22: Penny Wars

September 22: **Color Day**

September 28 – October 6 : Scholastic Book Fair
